Confirm Deletion of All Scheduled
Episodes

Annotations

- 1 Current DVR Button:** Displays the name of the current DVR in use. When selected, directs user to [Change DVR Screen](#). This is displayed when the user has multiple DVRs.
- 2 Scheduled Toggle Button:** When toggled, displays list of all scheduled programs on the selected DVR.
- 3 Recorded Toggle Button:** When toggled, displays list of all recorded programs on the selected DVR.
- 4 Channel Icon:** Displays the channel logo and number. This is not an active button on this screen.
- 5 Program Info:** Displays Program Name, Episode Name (For a TV Show)/Movie Description (For a Movie), and Duration of the program
- 6 Time/Date Info:** Displays the time the program starts and the date the program is scheduled to be on
- 7 DVR Title:** Displays the name of the current DVR in use. This is displayed when the user has only one DVR.
- 8 Swipe Area:** When swiped from left to right or from right to left, reveals/hides the “Delete” button.
- 9 Delete Button:** When pressed, deletes the scheduled recording and removes it from the list. No confirmation displays. (See notes #1 and #2)
- 10 Yes Button:** When pressed, deletes the scheduled recording and all scheduled recordings (current and future) for the selected series & closes popup
- 11 No Button:** When pressed, closes the confirmation popup and returns the user to the list with no action taken and hides the Delete button from view.

Notes and Open Items:

1. Please note that this action will be different when deleting a recording. See [Section 04 – Recorded Programs](#) for more details.
2. If the user attempts to delete a scheduled recording that is part of a scheduled series, the user will receive a confirmation popup before deletion (see screenshot 09b).
3. Scheduled Recordings will display in chronological order based on their scheduled air time. For example:
 - A program is scheduled to record on Wednesday, 2/17 and is currently at the top of the list
 - The user sets a program to record on Tuesday, 2/16
 - The program on 2/16 is now set to the top of the list because it is being aired before the program on 2/17
